

# Spring 2010 Course Suggestions for International Studies

- Please use this list in conjunction with the degree requirements, the graduation plan, MU general education requirements, and college requirements. Students should review the policies in the undergraduate catalog. Students are responsible for knowing the requirements of the degree and selecting appropriate courses for schedules. Make sure to determine the prerequisites of a course are fulfilled before attempting to enroll.
- This list is not all-inclusive; courses may be added or cancelled before the beginning of the semester. Please use myZou to determine course availability.
- Permission to enroll in courses should be requested from the instructor of the course or the department offering the course. The International Studies academic advisor cannot give students permission to enroll in courses.
